

Borehamwood from Justin CLP 2/11/04

council has accepted they have a
duty to provide suitable accom.

They ~~say~~ offer temp B & B
to be followed by caravan park
accom.

Trans reject B & B

Justin says if they move
onto council land they can
keep up local pressure to
be provided with land/caravan park

But Justin believes they will
have use constant.

GP - if they damage chalets
at Twin Oaks they ~~to~~ will be
settling present for constant
to do the same at Dab Farm.
